Innovation in Ultra-Efficient Commercial Vehicles - Subsonic
Transports Roadmap Breifing

Question:

Jeffrey Rusick: Are there technical leads assigned for each Research Theme on page 21?

Answer: No, there are not Technical Leads assigned for each research theme on slide 21.

Question:

Kimlan Pham: Are you planning to conduct a briefing for Thrust 4?

Answer:

Thus far we have briefed the two parts of the thrust 4 roadmap in several forums. We are in the process of integrating the alternative fuels (drop in) and alternative energy/power systems pieces into a single roadmap. Then we will decide on further venues to brief the integrated package.
